

Mountain Fun

A Great Place to Play

With 300 acres in a beautiful, country setting, full use of Bristol's facilities, and a long list of activities planned, your children will thoroughly enjoy their summer. Our spacious facilities will host the program for indoor and rainy day projects. Our theme is good care and good playtime where friends are made and respect is learned through playing with other children and interacting with the caregivers.

Bristol Mountain also operates a licensed child care center five days a week, caring for your little ones ages 18 months to 5 years old.

Daily Activities

The main feature of each day lasts between two to three hours. The remainder of the day is spent on weekly activities. These may include rollerblading, bicycling, walks through woods, kickball, and lots more! Each day is filled with fun along with a different and interesting project. A happy, safe summer is what we are looking forward to.

Rainy day plans include huckle buckle beanstalk, tumbling mats, sardines, and all sorts of fun things kids like to do when they want to stay dry. There are also plenty of tabletop games.

There will be times when our activities will take us away from the base area. It is important that your child(ren) be here by 9:15 am or you accompany your child(ren) to the designated location.

Meals

Children should eat a good breakfast prior to arrival. Pack a lunch as you would for school. Afternoon snacks and drinks will be provided.

Weekly Schedule

Monday - Crafts & Creativity

Your child will look forward to Monday mornings! Each Monday is devoted to a project that will let a child explore a variety of materials and crafts. We have everything but the child's imagination.

Tuesday - Fun Science

There are all types of clouds, but soap clouds? Kids love making and playing with slime, but will they eat it? That's just a couple of the fun experiments this summer.

Wednesday - Kids in the Kitchen

Let's get cookin'! Kids roll up their sleeves and explore recipes and ingredients, as well as clean-up. All will enjoy plenty of good food.

Thursday - Party Time

Kids will set the stage with a drama party. Will they be able to "talk" without using their mouth during the silent party? And who doesn't love a carnival? Kids will set up their own booths & rules.

Friday - Roseland Waterpark

A great way to end the week and start the weekend. Hours of fun and sun for a small transportation fee. Admittance to the park is free. Parents /Guardians are asked to pick up their child(ren) at the park.
