

SKI ABILITY LEVELS

YELLOW FIRST TIME SKIER - LEVEL 1 - Congratulations! A half/full day lesson equips you with the basic skills to enjoy the sport. This small investment will last a lifetime!

YELLOW - LEVEL 2 - You are able to stop on green runs using the wedge or "snowplow" and are able to make direction changes.

GREEN - LEVEL 3 - You are able to stop and link wedge turns on green runs comfortably.

GREEN AND EASY BLUE - LEVEL 4 - You rely more on turn shape to slow down. Your wedge is getting smaller and at the finish of a turn your skis are running parallel which is a major milestone.

BLUE - LEVEL 5 - You are using similar wedge-match to parallel techniques to the level 4 skier but are comfortable on blue runs.

BLUE - LEVEL 6 - Your wedge (or stem) is nearly gone and you are making open parallel turns on blue runs.

BLUE and EASY BLACK - LEVEL 7 - You are able to change turn radius and duration comfortably on blue runs. Pole plants are being used to time turns. Blue/black runs are starting to look skiable.

BLACK - LEVEL 8 - You are comfortable on blue/black runs and can ski in the fall line on easy moguls.

BLACK - LEVEL 9 - You can ski black diamond bumps, steeps, and varied snow conditions comfortably.

SNOWBOARD ABILITY LEVELS

YELLOW FIRST TIME RIDER - LEVEL 1 - Congratulations on your first snowboarding experience! A half/full day lesson equips you with the basic skills to enjoy the sport. This small investment will last a lifetime!

GREEN - LEVEL 2 - You can perform a skidded traverse on both heel and toe side edges. Turns can be done in both directions with a slight uphill turn to a stop.

GREEN - LEVEL 3 - You can perform a skidded traverse and garlands in both directions with basic linked turns (toe side and heel side) to each direction.

GREEN AND SOME BLUE - LEVEL 4 - You are now able to make turns in both directions with speed control. You are now beginning to link smoother turns while using flexion/extension movement from the hips, knees, and ankles.

BLUE - LEVEL 5 - You are able to link skidded turns in either direction with good speed control, rhythm, and shape. Varieties of turn shapes make this an important milestone!

BLUE - LEVEL 6 - You are becoming confident on most blue terrain with good snow conditions and are being introduced to carving. Skidded turns of various shapes are not a great challenge.

BLUE AND SOME BLACK - LEVEL 7 - You are now able to fine tune your carving ability in moderate terrain. You are able to link carved turns on all blue runs and are starting to do grabs off terrain features and ride the walls of the half-pipe.

BLACK - LEVEL 8 - You are now riding with varied dynamics on all terrain and in all conditions. You also can do 180s, 360s, and get air in the pipe.

BLACK - LEVEL 9 - You are becoming confident on the entire mountain and are working efficiently as you explore the extremes of snowboarding.

ASSUMPTION OF ALL RISKS AGREEMENT

I, _____, know and understand that alpine, nordic, and freestyle skiing, as well as, snowboarding and other snow activities, including games and competitive events, are activities that involve a significant risk of personal injury, death or property damage. I also know and understand that there are natural and environmental conditions and risks that independently, or in combination with these activities, may cause property damage, or severe or even fatal injuries to me or others. I understand that trail conditions vary constantly because of weather changes and skier use, and I also understand that the risks of skiing/riding also include terrain park elements, jumps, slide rails and other man made features, changing weather conditions, bare spots, variations in snow, ice, forest growth, other ground cover, surface and subsurface conditions, and terrain, bumps, moguls, rocks, debris, equipment and machinery on slopes, collisions with other skiers and snowboarders and natural and man made objects, and skier/snowboarder error.

I agree and acknowledge that I have made a voluntary choice to participate in these activities at Bristol Mountain with the risk that they present. In consideration of being permitted to participate in a ski or snowboard instructional program at Bristol Mountain, I agree to ASSUME ANY AND ALL RISK OF INJURY OR DEATH, which might be associated with, or result from, my participation in these activities. I agree to accept all responsibility for the risks, conditions and hazards which may occur whether they now be known or unknown.

I further agree that I will accept and abide by all rules and regulations of Bristol Mountain, as well as all obligations that may be imposed upon by Article 18 of the General Obligations Law or any other law of the State of New York.

I have fully read and understand this Agreement and all of its terms. I understand that this acknowledgement and assumption may affect my legal claims for damages in the event of my death or any injury to me. I nevertheless enter into this Agreement freely and voluntarily agree that it is a binding upon me, my heirs, assigns, and legal representatives.

I agree that the terms of this Agreement shall be binding and shall be governed by the laws of the State of New York and that the terms of this document shall be admissible in evidence as a binding legal document between me and the persons and entities listed above in this Agreement.
