Before affixing your pass or allowing any pass to be affixed to your person, your attention is directed to a posted "Warning to Skiers" that is displayed in the Guest Services Office. The Safety in Skiing Code requires you to seek out, read, and understand the "Warning to Skiers" before you decide to participate in the sport of skiing.

Skiers who create such hazards for themselves, or other skiers, can be arrested under Article 18 of the NYS General Obligations Law and may be required to leave the area. They will be denied skiing and snowboarding privileges at Bristol Mountain. In such case, no refund of purchase price for lift ticket or pass will be made.
